

Light the Way Home

A Diwali maze

Name _____ Date _____

Directions: In the story, the people of Ayodhya lit rows of diyas to guide Ram, Sita and Lakshman home in the dark. Start at the opening on the left and find your way to FINISH on the right. Pass all 6 diyas along the way to light the path. Do not cross any walls.

Light the Way Home

Solution (teacher copy)

START

FINISH

There is exactly one route from START to FINISH, and it passes all six diyas. A child who has collected all six has found the correct path, so the puzzle checks itself. If a diya has been missed, they have wandered into a dead end and need to come back.
